Conference venue:

Point Hotel Taksim is perfectly located within a short walking distance to Istanbul Lutfi Kirdar Convention & Exhibition Centre (ICEC), Taksim Square which has a great deal of shopping and nightlife opportunities and also 5-10 minutes drive to old town with a lot of historic sightseeing. A smiling welcome in the lobby is just the beginning of Point Hotel Taksim experience. Its flawless design is inherent in 174 deluxe rooms, 10 junior suits and 10 senior suits, all having 1 Gbit wi-fi internet connection which is free of charge all around the hotel. All rooms are equipped with a king-size bed or two twin beds, private marble bathrooms, laptop compatible safe-deposit box, air conditioning, radio-CD player and television. Guests also have free access to Point Spa amenities including an indoor pool to relax from their daily stresses. Point Hotel Taksim's restaurant ViewPoint is open for breakfast, lunch and dinner and it is surrounded by a breathtaking view of the Bosphorus. Point Hotel Taksim - Turkish hospitality at your very first step.

Airports:

There are two international airports. Ataturk Airport is located on European side and Sabiha Gökçen Airport is located on Anatolian side.

The Point Hotel is 45 - 60 minutes far from Ataturk Airport and 60 - 75 minutes far from Sabiha Gökçen Airport by bus. There are shuttle busses from both airports to the Taksim Square every half hour from early in the morning till midnight. The Point Hotel is only 5 minutes far from the Taksim Square by walk.

Cancellations:

If you should be prevented from attending for any reason, please cancel by **8th March 2012**. After this date we will have to charge the full participation fee. It is possible to nominate a substitute.

**European Pultrusion
Technology Association**

The common aim and mission

The European Pultrusion Technology Association (EPTA) is an association formed in 1989 by the leading FRC (Fiber Reinforced Composites) Pultruders in Europe and is open for membership to all companies and organizations, wishing to participate in promoting the responsible use of Fiber Reinforced Composite Materials, and in the exchange of knowledge between members.

EPTA's mission is to support the growth of the composite profiles industry by maximising external communication efforts and having an actively contributing membership.

Membership

Membership of EPTA is open to all companies and individuals worldwide, without restriction. However it is mandatory for European Pultruders and Pultrusion Equipment Manufacturers to become FULL Members.

FULL Membership

is aimed at all companies worldwide directly involved in pultrusion.

ASSOCIATED Membership

is aimed at research companies, end-users, universities and at the Pultrusion Industry allied businesses.

SPONSOR Membership

is aimed at raw material suppliers who wish to see the pultrusion industry flourish and expand.
